Interviews and Offers: TBC
Start Date: 6th January 2019

An experienced and dedicated Teaching Assistant (SEN).

A flexible and dedicated teaching assistant to make a positive impact on the education and social skills of children/students who are at risk of exclusion, or have been excluded from, their Primary School. Our fantastic children/students have significant challenging behaviours and often have unidentified learning difficulties. An ability to work within a team of dedicated teaching assistants in small teaching group settings, and to work closely with parents/carers and associated professionals, is absolutely essential.

Teaching Assistants are required to work at various locations across Manchester.

Bridgelea was rated 'Good' by OFSTED in July 2014. The Pupil Referral Unit is currently located on three sites in Withington, Gorton and Wythenshawe offering places for up to 94 children. This is a local authority school serving the children at risk of exclusion across Manchester. Candidates who feel they can contribute energy and ideas to the development of this growing community are most welcome to apply.

The successful candidate will work closely with teachers in the school, under the line management of head teacher and deputy head teacher.

Applications and evidence should be e-mailed to admin@bridgelea.manchester.sch.uk
