INTRODUCTION

This policy has been developed to embed safer recruitment practices and procedures throughout Holy Trinity Primary School and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care.

This policy complies with guidance outlined in 'Keeping Children Safe in Education – September 2018 and 'Dealing with allegations of abuse against teachers and other staff – DfE 2012.

This policy should be used in conjunction and with reference to section 16 of the Safeguarding Policy - Preventing radicalisation and violent extremism.

This policy reinforces the conduct outlined in the Government Office North West 'Guidance for Safer Working Practice for Adults who Work with Children and Young People' as well as the school's whistle blowing policy all staff are expected to be familiar with.

All successful candidates for paid or volunteer employment will be made aware of these documents.

This policy is an essential element in creating and maintaining a safe and supportive environment for all pupils, staff and others within the school community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

- Attracting the best possible candidates/volunteers to vacancies,
- Deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
- Identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people.

Holy Trinity Primary School is committed to using disciplinary procedures that deal effectively with those adults who fail to comply with the school's safeguarding and child protection procedures and practices.

As an employer we are under a duty to refer to the Independent Safeguarding Authority any member of staff who, following disciplinary proceedings, is dismissed because of misconduct towards a pupil and we may refer any concerns we have before the completion of this process.

As an employer, we are under a duty to refer any allegation of abuse against a member of staff to the Local Authority Designated Officer within one working day of the allegation being made. A referral will be made if a teacher or member of staff (including volunteers) has:

- Behaved in a way that has harmed a child, or may have harmed a child
- Possibly committed a criminal offence against, or related to a child
- Behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children
- Conducted an act which is deemed inappropriate and may impact on the school's reputation or confidence in staff's ability to safely work with children

The School Business Manager will check for updated relevant information about staff every three years through renewal of DBS.
