Would you like to develop your Forest School career in a school that is at the heart of the community? Crosslee Community Primary School could be that school.

Crosslee Community Primary is a two form entry Primary School situated in North Manchester which was graded 'Good' at the last Ofsted Inspection in February 2017.

Our school presents a wonderful setting and platform to explore your creative talents, working alongside a talented teaching team and children who love learning. We are very excited about the possibilities and opportunities that present themselves as we seek to employ a Forest School Teacher to continue our work in this area following the promotion of our previous Forest School Teacher.

We look forward to receiving your application. It would be helpful if the following could be included:

- ❖ The reasons for choosing Forest School as a career
- ❖ Analysis of your experiences which have impacted on your development as a Forest School Teacher
- ❖ Hobbies and interests which contribute to you as a person and could inform teaching and learning
- ❖ How you interpret the ethos of Forest School and outdoor learning, what this would mean for you and how you would demonstrate this
- ❖ Include any other relevant points you wish to make

Visits to the school are welcome. Please contact the school office on 0161 795 8493.

This vacancy is also open to suitably qualified HLTA's.
